Learning Objectives
Upon completion of this educational activity, participants will be able to:
- Review statutes and regulations pertinent to the practice of pharmacy in Kentucky.
- Review general mathematical concepts
- Perform appropriate calculations for a variety of pharmaceutical concepts.

Accreditation
The University of Kentucky College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

This application-based program has been assigned ACPE # 0022-0000-15-056-L03-P and 0022-0000-15-057-L04-P and will award 5 contact hours (0.5 CEUs) of continuing pharmacy education credit in states that recognize ACPE providers.

Statements of participation will indicate hours and CEUs based on participation and will be issued online at the conclusion of the activity. Successful completion includes signing in at registration, attending the entire session for which credit is claimed, completing the activity evaluation and requesting credit online at conclusion of the activity. Credit will be uploaded to CPE Monitor, and participants may print a statement of credit or transcript from their NABP e-profile. The College complies with the Accreditation Standards for Continuing Pharmacy Education.
