## Accreditation

### Medicine

The University of Kentucky College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The University of Kentucky College of Medicine designates this live activity for a maximum of 5.25 *AMA PRA Category 1 Credits*<sup>SM</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity. The University of Kentucky College of Medicine presents this activity for educational purposes only. Participants are expected to utilize their own expertise and judgment while engaged in the practice of medicine. The content of the presentations is provided solely by presenters who have been selected for presentations because of recognized expertise in their field.

### Pharmacy

 The University of Kentucky College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This activity has been assigned ACPE #s 0000-0022-13- 003 thru 009-L02 -P-KB and will award up to 5.73 contact hours(0.556 CEUs) of continuing pharmacy education credit in states that recognize ACPE providers. Statements of credit will indicate hours and CEUs based on participation and will be issued online at the conclusion of the activity. Successful completion includes attending the entire session for which credit is claimed, completing the activity evaluation and requesting credit online at conclusion of the activity. The College complies with the Accreditation Standards for Continuing Pharmacy Education.

### Nursing

Nursing credit for this program will not be provided, however the Kentucky AIDS Education Training Center will assist any conference participant who needs nursing credit for this program with an individual application for credit to the Kentucky Board of Nursing. For more details contact, the KY AETC Program Coordinator, at 859-323-9969.

### Dental

This live course meets regulatory requirements for 5.73 credit hours as permitted by 201 KAR 8:532 for dentists and 201 KAR 8:562 for dental hygienists.

### Disclosure

All planners, speakers, authors, and reviewers involved with content development for continuing education activities sponsored by the University of Kentucky Colleges of Pharmacy and Medicine are expected to disclose any real or perceived conflict of interest related to the content of the activity. Detailed disclosures will be included in participant materials or given prior to the start of the activity.
