

2014 Kentucky Statewide Trauma and Emergency Medicine Symposium

October 20–22, 2014

Keeneland Sales Pavillion
Lexington, Kentucky

OVERVIEW

On behalf of the University of Kentucky, Norton Healthcare, and the University of Louisville, it is our privilege to invite you to participate in the 2014 Kentucky Statewide Trauma and Emergency Medicine Symposium.

Now in its ninth year in joint providership, this event provides an exciting opportunity for health care professionals seeking innovative approaches to trauma and emergency care. The program will cover clinical management of the trauma patient, including prehospital care, resuscitation, acute care and general practice issues.

OBJECTIVES

Upon completion of the symposium, participants will be able to:

- Identify epidemiological factors related to trauma/emergency medicine.
- Describe the pre-hospital, medical, and nursing management of specific emergency conditions/injuries or complications.
- Analyze selected contemporary issues affecting trauma/emergency care systems.
- Examine current research and trends of care for the trauma/emergency medicine patient.

TARGET AUDIENCE

This program is directed toward physicians, nurses, nurse practitioners, physician assistants, EMT/EMT-Ps, respiratory therapists, radiology technicians, trauma registrars and other allied health care professionals caring for trauma, emergency and critical care patients.

JOINTLY PROVIDED BY
UK HealthCare CECentral and UK HealthCare Trauma Program.

We would like to thank and acknowledge the following sponsors.
