

Mary K. Walton, MSN, MBE, RN

Mary Walton is Nurse Ethicist and Director of Patient and Family Centered Care at the Hospital of the University of Pennsylvania. Ms. Walton received her BSN and MSN from the University of Pennsylvania and earned a master of bioethics degree and a certificate in clinical ethics mediation from the University of Pennsylvania School of Medicine. She has practiced in academic healthcare settings for over 35 years and has a progressive history of leadership. Roles of clinical nurse specialist and nurse manager included responsibility for clinical ethics committees and ethics consultation services, cultural competency training, and establishing evidence-based practice standards. Currently, she is responsible for organizational initiatives focused on clinical ethics and improving the patient and family experience of care. She has published in the areas of collaboration, advocacy, healthy work environment, nursing history, and patient-centered care.
