Friday, May 9

Registration, Continental breakfast
7 – 8 a.m.

Multi-Drug Resistant TB: A 21st Century Apocalypse?
Michael Iseman MD
8 – 9 a.m.

The Science of Pulmonary Rehabilitation
Richard ZuWallack MD
9 – 10 a.m.

Break 10 to 10:30

Infections in the ICU: Controversies in Antimicrobial Therapy
George Karam MD
10:30 – 11:30 p.m.

Non-Tuberculous Mycobacterial Lung Disease in Women:
No Good Deeds Go Unpunished
Michael Iseman MD
11:30 – 12:30 a.m.

Lunch 12:30 – 1:30 p.m.

Respiratory Management of Chronic Neuromuscular Disease
with Noninvasive Ventilation
Joshua Benditt MD
1:30 – 2:30 a.m.

Advances in Sedation and Mechanical Ventilation
Paula Watson MD
2:30 – 3:30 p.m.

Break 3:30 – 4 p.m.

Chest Radiology Session: Signs That Tell
Eric Bensadoun, MD
4 – 5 p.m.

Adjournment 5 p.m.

Program Objectives

1. Describe the current approach to the diagnosis and treatment of multi-drug resistant tuberculosis.
2. Review the state of art in pulmonary rehabilitation.
3. Describe the comprehensive respiratory care of patients with neuromuscular diseases.
4. Recognize the natural history, and management of non-tuberculous mycobacteria.
5. Review the optimal management strategies of sedation and delirium in critically ill patients.
6. Describe the management of serious infections in the ICU.
7. Review radiographic features that allow important diagnostic distinctions in patients with pulmonary disease.

Target Audience

This symposium is directed towards pulmonary physicians, critical care physicians, general internists, family practice physicians, and other health care professionals caring for pulmonary or critical ill patients.

Disclosure Policy
All faculty members participating in continuing medical education programs sponsored by the UK College of Medicine are expected to disclose any real or perceived conflict of interest related to the content of their presentations. Copies of faculty disclosures will be included in your program.

Accreditation
The University of Kentucky College of Medicine designates this educational activity for a maximum of 7 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The University of Kentucky College of Medicine presents this activity for educational purposes only. Participants are expected to utilize their own expertise and judgment while engaged in the practice of medicine. The content of the presentations is provided largely by presenters who have been selected for their recognized expertise in their field.

The symposium is sponsored by the Division of Pulmonary, Critical Care, and Sleep Medicine at the University of Kentucky.
