Kentucky Statewide Trauma/Emergency Medicine Symposium

Description
The Kentucky Statewide Trauma/Emergency Symposium provides an exciting opportunity for health care professionals seeking innovative approaches to trauma and emergency care. The program will cover clinical management of the trauma patient, including pre-hospital care, resuscitation, acute care and rehabilitation. Designed for the team approach, this multidisciplinary forum will feature national and local physicians, nurses, paramedics and other experts.

Objectives
Upon completion of the symposium, participants will be able to:
- Identify epidemiological factors related to trauma/emergency care
- Describe the pre-hospital, medical and nursing management of specific emergency conditions/injuries or complications
- Analyze selected contemporary issues affecting trauma/emergency care systems
- Examine current research and trends of care for the emergency/trauma patient

Target Audience
This program is directed toward physicians, nurses, nurse practitioners, physician assistants, EMT/EMT-Ps, respiratory therapists, radiologic technologists and other allied health care professionals caring for emergency and critical care patients.

Disclosure
Faculty presenters of continuing education programs sponsored by the University of Kentucky College of Medicine are expected to disclose any real or perceived conflict of interest. Copies of faculty disclosures are included in participant program materials or given prior to the lecture.

Continuing Medical Education

Physicians
The University of Kentucky College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (AC-CME) to provide continuing medical education for physicians. The University of Kentucky College of Medicine designates this educational activity for a maximum of 12.5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity. The University of Kentucky College of Medicine presents this activity for educational purposes only. Participants are expected to utilize their own expertise and judgment while engaged in the practice of medicine. The content of the presentations is provided solely by presenters who have been selected for presentations because of recognized expertise in their field.

Nurses
For Nursing CEUs, Emergency Nurses Association has approved the following: Advanced Pediatric Life Support course: 8.0; General Session Day One: 6.4; and General Session Day Two: 5.6. Attendance on both days for General Sessions will result in approval of a total of 12 contact hours for the registrant.

Emergency Medical Technicians and Paramedics
Education credit (equal to nursing CEU’s outlined for each course) will be provided by the Kentucky Board of Emergency Medical Services and the Kentucky Emergency Medical Services for Children Project. A certificate will be provided to each attendee. For questions related to EMT/paramedic credits, contact Tom Taylor, Kentucky Board of EMS, at (850) 256-3565 or e-mail tomd.taylor@kctcs.edu.

Other Allied Health Professionals
All other health care professionals for whom preapproval has not been achieved will be provided a certificate of attendance after the symposium. Each of these professionals will be responsible for submission to their professional boards if credit is desired.

CME and CEU certificates for physicians, physician assistants, registered nurses, EMT/EMT-Ps and respiratory therapists will be awarded at the end of each session.

Note
Certificates for continuing education hours will not be distributed until the daily conclusion of the program with submission of an evaluation form. Partial continuing education hours are not an option.

Pre-Conference Wednesday November 19, 2008

APLS
Advanced Pediatric Life Support

Presented by
M. Dawn Turner, MD
Assistant Professor of Pediatrics

Philip Bernard, MD
Assistant Professor of Pediatrics
Medical Director Pediatric Transport and Outreach
Kentucky Children’s Hospital
University of Kentucky HealthCare
Lexington, KY

Although this course is designed for physicians, other disciplines are encouraged to attend. The APLS Course focuses on the evaluation, diagnosis and initiation of treatment of many pediatric medical and surgical emergencies during the time the patient’s condition is being stabilized in the clinic or emergency department. Major topics to be addressed include Pediatric Assessment, Pediatric Airway, Central Nervous System, Medical Emergencies, Cardiovascular System, and Trauma. Advanced Airway and Advanced Trauma Procedures skill stations will be included. The course will require advance acquisition of the textbook APLS: The Pediatric Emergency Medicine Resource and independent study and completion of online “Check Your Knowledge” questions for six chapters. At the end of the 1-day course you will take a Course Completion Examination. Your course completion cards will be mailed to you at a later date. Cost: $100

7:00am: Registration
7:30am - 4:30pm: Course
(Lunch will be provided from 12:00pm – 1:00pm)

Objectives
• Provide guidelines for being properly prepared in the emergency care of pediatric patients
• Describe the components of pediatric assessment
• Recognize the early signs of pediatric medical and surgical emergencies
• Discuss the importance of early intervention and initiation of treatment to prevent the occurrence of respiratory or cardiac arrest

CEVO III
Coaching the Emergency Vehicle Operator

Presented by
Jamie Alcorn, EMT, CEVO III Certified Inst., CFC
Doug Smith, EMT, CEVO III Certified Inst.
Tim Cameron, EMT, CEVO III Certified Inst.
EMS/Communications Manager
Communications Technician/EMT
UK Emergency Transport
University of Kentucky Chandler Medical Center
Lexington, KY

In this 8 hour program, ambulance operators will learn practical defensive driving techniques – focusing on the operator’s ability to read traffic conditions, act accordingly, and prevent collisions in both emergency and non-emergency situations. Cost: $25

7:30am: Registration
8:00am - 12:00pm: Classroom Skills
1:00pm - 5:00pm: Hands-On Driving Skills

Objectives
• Handling an emergency vehicle in adverse weather conditions
• Blind spots and cushion of safety
• Intersections, passing and lane changes
• Safe backing and parking
• Scanning and traffic hazard identification
• Vehicle handling, design and inspection
General Session
Thursday
November 20, 2008

Paul Rychwalski, M.D.

2:30p.m.   “Gang Identifications and Reorganization”
Detective Juan Garrett

3:15p.m.   Evaluation/Adjournment
Enveloped by the rolling meadows of Bluegrass Country, the Griffin Gate Marriott Resort & Spa, a luxurious Kentucky resort and upscale Lexington hotel, invites guests to discover unmatched Southern hospitality. The genteel ambiance at this Lexington, Kentucky hotel has been revived by sweeping renovations featuring sparkling facilities and a brand new spa. Retreat to plush guest rooms after playing some of the finest greens on the magnificent Rees Jones-designed golf course or indulging in the rejuvenating powers of soothing spa treatments offered by The Spa at Griffin Gate. Griffin Gate Marriott is located only four miles from downtown Lexington and minutes from the Kentucky Horse Park.

A block of hotel rooms is reserved at a group rate of $89. This special rate is available until November 2, 2008. Mention that you are attending the Trauma/Emergency Medicine Symposium when you register to receive the discounted rate. Parking is complimentary. Reservations and costs are the responsibility of the participant. To make a reservation, call 1-859-231-5100.

Please, to aid us in keeping our rates as economical as possible for you in the future, we ask that you stay at our host hotel if you intend to stay overnight. We have negotiated this rate considering our participants’ overnight stays.
Directions

From Airport
Lexington - LEX
Driving directions: Turn left on Man O’ War Boulevard from Airport Parking Area. Go East on Versailles Road (US 60) approximately 2 miles to Second New Circle Road (North) Exit. Follow New Circle Road approximately 4 miles to Newtown Pike Exit 9B North toward I-64 & I-75. Follow Newtown Pike for approximately 1.5 miles to Griffin Gate Boulevard. Resort entrance is on the right.

From Airport
Cincinnati – CVG
Driving directions: Take I-275 East approximately 4 miles to I-75 South toward Lexington. Follow I-75 South approximately 65 miles to Lexington. Interstates 75 and 64 combine as one north of Lexington. Take Exit 115 (Newtown Pike/SR 922) South off I-75/64. Follow Newtown Pike/SR 922 approximately 0.4 miles to second light and turn left onto Griffin Gate Drive. Once on Griffin Gate Drive, you are on the resort property. Main entrance for resort is to the left of Griffin Gate Drive. Estimated taxi fare $100.00 USD (one way).

From Airport
Louisville - SDF
Driving directions: From the airport, take I-264 East approximately 4 miles to I-64 East towards Lexington. Follow I-64 East for approximately 80 miles to Lexington. Interstates 64 and 75 combine as one north of Lexington. Take Exit 115 (Newtown Pike/SR 922) South off I-75/64. Follow Newtown Pike/SR 922 approximately 0.4 miles to second light and turn left onto Griffin Gate Drive. Once on Griffin Gate Drive, you are on the resort property. Main entrance for resort is to the left of Griffin Gate Drive. Estimated taxi fare $115.00 USD (one way).

For your personal comfort
For both the workshops and general sessions, we suggest that you bring a sweater or jacket to maximize your comfort. It is our experience that climate controls do not always conform to individual preferences.

Special needs
We are committed to making the conference accessible to all individuals. If you have a disability, check the box on the registration form. Please attach a description of any auxiliary aids or services that may be needed (identified in the Americans with Disabilities Act). Advance notification helps us better accommodate your requests. Return the form and description to our office no later than November 2, 2008.
