Accreditation

CME Credit
The University of Kentucky College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Kentucky College of Medicine designates this live activity for a maximum of 50 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The University of Kentucky College of Medicine presents this activity for educational purposes only. Participants are expected to utilize their own expertise and judgment while engaged in the practice of medicine. The content of the presentations is provided solely by presenters who have been selected for presentations because of recognized expertise in their field.

ACGME Competencies
Patient Care, Medical Knowledge, Practice-based Learning and Improvement, Interprofessional and communication skills

AAPF Credit
Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending. Website will be updated once approval has been awarded.

ABIM MOC recognition statement

Successful completion of this cme activity which includes participation in the evaluation component, enables the participant to earn up to 4 medical knowledge moc points in the american board of internal medicine's (abim) maintenance of certification (moc) program. It is the cme activity provider's responsibility to submit participant completion information to acme for the purpose of granting abim moc credit.

AN EQUAL OPPORTUNITY UNIVERSITY

51st Annual Family Medicine Review

November 3-8, 2019

May 10-15, 2020

Griffin Gate Marriott Resort & Spa

1800 NEWTOWN PIKE | LEXINGTON, KENTUCKY

For all family practice, primary care, physician assistants, nurse practitioners and any other healthcare professional interested in family practice topics.

51st Annual Family Medicine Review

All planners, speakers, and reviewers involved with content development for continuing education activities provided by the University of Kentucky are expected to disclose any real or perceived conflict of interest related to the content of the activity. Detailed disclosures will be included in participant materials or given prior to the start of the activity.

Overview

Clinicians providing primary care encounter a wide range of medical conditions in their day-to-day practice. It can seem overwhelming to stay current on the evaluation and treatment of such a wide variety of conditions. The University Of Kentucky Department Of Family and Community Medicine serves the needs of primary care professionals across the country by recognizing the need for high quality life-long learning for inter-professional healthcare providers through continuing education. This Family Medicine Review course is one of the longest running courses in the nation and has gained national recognition. Participants can earn *AMA Category 1 Credits™* and AAFP prescribed credit (determination pending) in one setting.

The goal of this program is to provide information from a variety of topics covered in Family Medicine.

Objectives

Upon completion of this educational activity, participants will be able to:

1. Review diagnosis and management of common medical and psychological disorders encountered by family physicians.
2. Identify areas of relative strengths and weaknesses in your core knowledge of family medicine.
3. Identify needed areas for personal review for recertification and maintenance of certification.

Core Topics

This course is designed to be a Comprehensive Review for Family Physicians and Pediatricians. The course is designed to enhance practice and knowledge by providing evidence based, up to date information that providers can immediately take and apply and change their current practice. Potential content areas below are based on the ABFM Blueprint for the examination and on needs of primary care pediatricians and pediatric subspecialties:

Cardiovascular:	Acute Coronary Syndrome, Heart Failure, Common Arrhythmias, Dyslipidemia, Peripheral Vascular Diseases, Disease Prevention
Respiratory:	Chronic Obstructive Lung Disease, Asthma, Community Acquired Pneumonia, Sleep Medicine
Musculoskeletal:	Sports Medicine, Low Back Pain, Common Musculoskeletal Injuries, Pediatric Orthopedics
Endocrine:	Diabetes Mellitus, Thyroid Disorders, Osteoporosis, Obesity Management, Hypogonadism
Gastrointestinal:	Gastroesophageal Reflux Disease, Dyspepsia and Peptic Ulcers, Helicobacter, Gastrointestinal Cancers, Liver Disease and Cirrhosis, Inflammatory Bowel Disease, Colon Polyps, Diverticulitis
Psychiatry:	Depression, Bipolar, ADHD, Substance Abuse
Integumentary:	Common rashes, benign and cancerous skin growths
Women's Health:	Contraception, Infertility, Menopause, Maternity Care
Hematologic/Immune:	Anemia, HIV/AIDS, Allergy
Nephrology:	Chronic Kidney Disease, Urinalysis
Neurology:	TIAs and Stroke, Epilepsy, Headaches, Dementia
Ophthalmology:	Eye Trauma, Vision Loss
Adolescent Medicine:	Growth and Development, Substance Abuse
Geriatrics:	Urinary Incontinence, Polypharmacy
Others:	Pain Management, Antibiotic Choices, Sexually Transmitted Infections, Cancer Detection and Prevention
Pediatrics:	Well child care, immunizations, cardiology, dermatology, pulmonology, immunology, infectious diseases, gastroenterology/nutrition, endocrinology, developmental pediatrics, child abuse/forensic pediatrics

Special Workshops and Breakout Sessions will also be offered to include exposures to unique skills, areas of interest, or specific ABFM module preparation.
