

Thank you for attending this educational activity. No meeting is truly successful if it simply serves the purpose of transferring information. You are encouraged to pose questions to the speakers and take advantage of the time allocated for informal exchanges and networking.

Evaluation

Please use the QR code or the Evaluation Link below to access the evaluation. It can be completed at the end of each presentation or at the end of Summit. Feedback from evaluations is essential to identifying educational needs and planning future continuing education activities.

To Connect

Connection instructions will be posted on the Summit registration page: www.cecentral.com/hrs

Points to remember:

- You don't need administrative rights to download Zoom to your computer from <u>zoom.com</u>. Just follow the prompts to download.
- You don't need a web cam and microphone to dial-in but they are nice features to have if they are available.
- When dialing-in by phone, be sure to turn your computer volume all the way down so there isn't any feedback.
- To test your connection, click on the <u>Zoom test weblink</u> to insure your camera, speakers, and microphone are working properly and see what the Zoom interface looks like.
- If you have problems, Zoom provides a troubleshooting web link.

Agenda

Wednesday, August 11, 2021

Time (EDT)	Topic/Speaker	Moderator
9:00 A.M 9:45 A.M.	Registration, Log-in, and Networking	CECentral Command Center
9:45 A.M 10:00 A.M.	• Welcome and Opening Remarks - Steven J. Stack, MD, MBA, FACEP, Commissioner, Department for Public Health (no ce credit)	CECentral Command Center
10:00 A.M. – 11:00 A.M.	 Key Note Address: America's Decades-Long Overdose Crisis and the Radical Transformation of the Illicit Drug Market: Implications for Public Health – Jon E. Zibbell, PhD, Senior Scientist, RTI International (Credit: CHES, CLE, EMS, CME, CNE, CPE, REHS/RS, ASWB, CADC, Participation) Objectives: Learn how the illicit drug market is serving as a social determinant of health with the capacity to influence individual drug preferences, consumption patterns, and health outcomes Understand the pharmacologic effects associated with a changing drug supply and its impact on consumers' drug use behavior, overdose risk, and quality of life, Discover how people who use illicit drugs are responding to the rapidly changing illicit drug supply while attempting to navigate volatile and unregulated illicit drug markets more safely 	Lindsey Brewer, Health Policy Specialist II, Department for Public Health
11:00 A.M. – 11:15 A.M.	Break and Networking	CECentral Command Center
11:15 A.M. – 12:15 P.M.	 Breakout Session 1A: Harm Reduction During a Global Pandemic - Jim Thacker, Program Manager, Kentucky Income Investment Program (KIRP) (Credit: CME, CNE, CCHW, ASWB, CHES, EMS, CPE, RS, CADC, Participation) Objectives: Articulate the threats to harm reduction programs that resulted from the pandemic. Identify some ways in which harm reduction programs can avoid diminishing services during a pandemic. Identify strategies to avoid poorer health outcomes in population being served by harm reduction programs. 	Laura Eirich, MPH, CHW Program Manager, Department for Public Health
	 Breakout Session 1B: Substance Use Disorder & the COVID-19 Pandemic: With Special Focus on Disparities Impacting Communities of Color - Brittney Allen, PhD, State Opioid Coordinator/Deputy Project Director for KORE, Department for Behavioral Health, Developmental and Intellectual Disabilities (Credit: CNE, CCHW, CME, ASWB, CHES, EMS, CPE, RS, CADC, Participation) Objectives: Provide examples of how the COVID-19 pandemic has impacted persons with substance use disorder (SUD), and how treatment and recovery service provision has adapted in order to maintain care for persons with SUD. Summarize the disparate impacts of COVID-19 on communities of color, including Black, Indigenous and People of Color (BIPOC) with a substance use disorder, and identify strategies that treatment and recovery support providers can implement to improve access to services for their BIPOC clients. 	Amy Colvin, Substance Use Peer Support Specialist, New Vista
	Breakout Session 1C: Wound Care in the Intravenous Drug Use Population – Jennifer Fox, DNP, University of Louisville and Takeisha Nunez, Health Education Coordinator Senior, Team	Jody Jaggers, PharmD, Director of Pharmacy Public Health Programs, Kentucky Pharmacy

	Lead, UK Healthcare, Kentucky Income Reinvestment Program (KIRP) (Credit: CNE, CME, ASWB, EMS, CPE, RS, Participation) Objectives:	Education and Research Foundation
	 Recall information about morbidity and mortality associated with skin infections from intravenous drug use Discuss high-risk injection practices used by intravenous drug users that lead to higher rates of skin infection 	
12:15 A.M. – 1:15 P.M.	• Networking Lunch, Exhibitor Sessions - Virtual Exhibit Hall (See Schedule – Links on Exhibitor tab) (no ce credit)	CECentral Command Center
	 Breakout Session 2A: The Overdose Response Strategy and a (NEW) Introduction to ODMAP, Overdose Detection Mapping Application Program -Ellen Lycan, DrPH, Public Health Analyst- KY, CDC Foundation (Credit: CCHW, ASWB, CHES, EMS, CPE, RS, CADC, Participation) Objectives: Describe the Overdose Response Strategy and ODMAP Outline steps to gaining access and using ODMAP Identify application and success in the use of ODMAP 	Danielle Dennis, Program Manager, Kentucky AIDS Education & Training Center/University of Kentucl
1:15 P.M. – 2:15 P.M.	 Breakout Session 2B: HIV in People Who Inject Drugs (PWID): West Virginia Outbreaks - Dr. Judith Feinberg, MD, Professor, West Virginia University, School of Medicine (Credit: CCHW, CME, CNE, ASWB, CHES, EMS, CPE, RS, CADC, Participation) Objectives: Describe the injection opioid syndemics that affect central Appalachia, especially West Virginia and Kentucky. Explain the rationale for universal screening for HIV (and hepatitis C) among adults, especially people who inject drugs. Discuss possible solutions to curtailing the spread of HIV (and other IDU-associated infections) in rural central Appalachia. 	Lindsey Brewer, Health Polic Specialist II, Department for Public Health
	 Breakout Session 2C (Panel Discussion): The Intersection of Societal Inequities and Harm Reduction for Disparate Populations – Facilitated by Vivian Lasley-Bibbs, MPH, Director and Epidemiologist, Office of Health Equity with panelists: Takeisha Nunez, Health Education Coordinator, Senior, University of Kentucky; Chelsey Reid, MPH, Title, University of Kentucky (Credit: CME, CNE, ASWB, EMS, CPE, RS, Participation) Objectives: Recognize the intersection of the harms of drug use and harm reduction approaches and the commitment to address the historical, socio-cultural and political forces that shape responses to mental illness/health, addictions, including harm reduction and methadone maintenance treatment. Recognize the root causes of substance use as peoples experiences and the intersection of social conditions that influence inequities in health and health care access i.e. lack of quality housing, poverty, unemployment, social 	Vivian Lasley-Bibbs Director, MPH, and Epidemiologist, Office of Health Equity, Department for Public Healt
	 identity, lack of social support and education Learn what best practices are being implemented that recognize the historical context and societal inequities impacting harm reduction treatment and services. 	

	 Breakout Session 3A: Harm Reduction and Overdose Prevention Communications: Building Infrastructure to Strengthen the Message- Beth Fisher, Executive Staff Advisor and Chase Barnes, Master of Public Health Intern with KORE, Department for Behavioral Health, Developmental and Intellectual Disabilities (Credit: CME, CNE, CCHW, ASWB, CHES, EMS, CPE, RS, CADC, Participation) Objectives: Understand need for messaging related to harm reduction and overdose prevention. Understand state's approach to uniting various stakeholders to determine course of action. Understand tenets of ongoing project which utilizes a public health intervention to evaluate Kentucky's currently messaging landscape; craft messaging and success stories; identify influencers and audiences; and build sustainable communications infrastructure. 	Nicole Stinson, Community Outreach Manager, BrightView
2:30 P.M. – 3:30 P.M.	 Breakout Session 3B: A Statewide Collaborative Approach to Improving Care for Pregnant People Affected by Opioid Use in Massachusetts – Ronald Iverson, MD, MPH, Co-lead, and Kali Vitek, MPH, PNQIN Project Management Specialist, Massachusetts Perinatal-Neonatal Quality Improvement Network (<i>Credit: CME, CNE, CPE, RS, Participation</i>) Objectives: Explain why the Perinatal-Neonatal Quality Collaborative in Massachusetts focused on OUD for their first AIM project Discuss key steps that PNQIN has taken with their collaborating hospital Review PNQIN's statewide measurement process related to care of people with OUD and their newborns 	Patty Weber, PTE Program Coordinator, Kentucky AIDS Education & Training Center/University of Kentucky
	 Breakout Session 3C (Panel Discussion): Kentucky Courts Connecting to Harm Reduction Strategies – Facilitated by Elizabeth M. Nichols, Operations Manager, Department of Specialty Courts, KY Administrative Office of the Courts (AOC) with panelists: Tara Blair, Executive Officer, Department of Pretrial Services, AOC; Tina Messer, Manager, Department of Specialty Courts, AOC; District Judge Karen Thomas, Kentucky's 17th Judicial District – Campbell County; B. Scott West, Deputy Public Advocate, KY Department of Public Advocacy; Tom Wine, Commonwealth Attorney for Kentucky's 30th Judicial Circuit – Jefferson County(Credit: CCHW, ASWB, CHES, CPE, CLE, RS, CADC, Participation) Objectives: Provide information about the RESTORE initiative, the court's approach to substance use disorder, and the roles of various court professionals and programs. Describe how the court system connects to and utilizes harm reduction strategies at different stages of the court process. Identify opportunities to build understanding and collaboration around harm reduction with one's local court 	Elizabeth Nichols, Operations Manager, Department of Specialty Courts, KY Administrative Office of the Courts
3:30 P.M.– 3:45 P.M.	 community. Lessons Learned and Closing Remarks from Day One of the 2021 KY Harm Reduction Summit - Connie White, MD, MS, FACOG, Deputy Commissioner, Kentucky Department for Public Health (KDPH) (no ce credit) 	CECentral Command Center

3:45 P.M. – 4:30 P.M.	• SSP Networking Session – Facilitated by Genia McKee, Community Overdose Prevention Program Manager, Kentucky Injury Prevention and Research Center and Linwood Strenecky, MPH, Harm Reduction Administrator, Kentucky Income Reinvestment Program (no ce credit)	CECentral Command Center
4:30 P.M.	End Summit – Day 1	CECentral Command Center

Thursday, August 12, 2021

Time (EDT)	Topic/Speaker	Moderator
9:00 A.M 9:45 A.M.	Registration, Log-in, and Networking	CECentral Command Center
9:45 A.M 10:00 A.M.	 Welcome and Opening Remarks Matt Hunt, Public Health Director, Barren River District Health Department (no ce credit) 	CECentral Command Center
10:00 A.M. – 11:00 A.M.	 Key Note Address: Public Health's Critical Role in Criminal Justice and Public Safety - John C. Tilley, Former Secretary, Justice and Public Safety Cabinet (Ky) (Credit: CLE, RS, CME, CNE, CCHW, ASWB, CHES, EMS, CPE, CADC, Participation) Objectives: Understand and articulate the evidence base and policy arguments for harm reduction strategies like a syringe- support program in criminal justice and public safety; Understand and articulate the evidence base and policy arguments for medication-assisted treatment for opioid use disorder in criminal justice settings; and Generally understand and articulate best practices at the intersection of public health, criminal justice and public safety. 	Tiffany Howard, MPH, KY AETC Training Coordinator, Kentucky AIDS Education & Training Center/University of Kentucky
11:00 A.M. – 11:15 A.M.	Break and Networking	CECentral Command Center
11:15 A.M. – 12:15 P.M.	 Breakout Session 4A: Overdose Data for 2020 During COVID- 19 - Meghan Steel, MPH, Epidemiologist, Kentucky Injury Prevention and Research Center (Credit: CNE, CCHW, RS, CME, ASWB, CHES, EMS, CPE, CADC, Participation) Objectives: Assess how drug overdose statistics in 2020 diverged from those in previous years. Discuss the influence of the Covid-19 pandemic on drug overdose in Kentucky Identify how morbidity and mortality surveillance can be used to improve harm reduction efforts and disaster preparedness 	Genia McKee, Community Overdose Prevention Program Manager Kentucky Injury Prevention and Research Center
	 Breakout Session 4B: Demystifying Medications for Treatment of Opioid Use Disorder – Kristen Blankenbecler, Director of Clinical Outreach, Kentucky Pharmacists Association (Credit: CME, ASWB, CNE, CCHW, CHES, EMS, CPE, RS, CADC, Participation) Objectives: Establish goals of treatment for medication assisted therapy. Explain the appropriate use of each medication available to treat opioid use disorder as well as risks and benefits of each. 	Jody Jaggers, PharmD, Director of Pharmacy Public Health Programs, Kentucky Pharmacy Education and Research Foundation

	 Review appropriate dosing and administration for each medication. Discuss appropriate use of each medication for opioid use disorder in special populations. 	
	 Breakout Session 4C: Toward a More Compassionate Commonwealth: A Legal Update and Legislative History of Harm Reduction Efforts in Kentucky – Dallas Hurley, LRC and Representative Joni L. Jenkins, Minority Floor Leader, Kentucky (Credit: CLE, CCHW, ASWB, CHES, RS, CADC, Participation) Objectives: Have in-depth knowledge of the legislative history of harm reduction efforts authorized by the Kentucky General Assembly. Have a grasp of the current state and federal legal barriers to implementing expanded harm reduction programs within the Commonwealth and regionally. Review information about ongoing legislative efforts to expand legal protections for individuals and organizations who seek to implement expanded harm reduction programs and services. 	Amy Colvin, Substance Use Peer Support Specialist, New Vista
12:15 A.M. – 1:15 P.M.	Virtual Exhibit Hall – Networking Lunch, Exhibitor Sessions (See Schedule – links on Exhibitor tab) <i>(no ce credit)</i>	CECentral Command Center
	 Breakout Session 5A: Housing for Unhoused and High- Risk Populations: Urban versus Rural – Jennifer Twyman, Health Educator, Louisville Metro Public Health and Wellness and Julie Hamilton, Transitions and Supported Housing Manager, LifeSkills, Inc. (Credit: CCHW, ASWB, CHES, RS, CADC, Participation) Objectives: Articulate several barriers our unhoused community members face in regards housing Describe non-traditional housing solutions for urban areas. 	Patty Weber, PTE Program Coordinator, KY AETC
1:15 P.M. – 2:15 P.M.	 Breakout Session 5B: Demystifying Harm Reduction - Nobody Left Behind - Orisha Bowers, PhD, Regional Director, National Harm Reduction Coalition (Credit: CME, CNE, RS, CCHW, ASWB, CHES, EMS, CPE, Participation) Objectives: Know, understand and be able to apply the principles of Harm Reduction. Articulate 2-3 strategies for implementing Harm Reduction into their work. 	Laura Eirich, MPH, CHW Program Manager, Department for Public Health
	 Breakout Session 5C (Panel Discussion): Lived Experience - Persons Who Use Drugs (PWUD) and Persons in Recovery in Rural Areas – Facilitated by Frankie Haynes, Health Educator, Barren River District Health Department with panelists: Tremayne D. Stewart, Life Coach, From Darkness 2 Light; David Duncan, Manager of the LifeSkills Park Place Recovery Center for Men; Eric E. Barker, M.Ed, CADC, LPCA, Kentucky Finding Cases Health Education Coordinator, University of Kentucky; (Credit: CCHW, RS, ASWB, CHES, Participation) Objectives: 	Frankie Haynes, Health Educator, Barren River District Health Department
	 Review trauma and HIV and the connections between them Review Adverse Childhood Experiences (ACES) Review the four R's Realize, Recognize, Respond, Resist 	

2:15 P.M. – 2:30 P.M.	Break	CECentral Command Center
2:30 P.M. – 3:30 P.M.	 Breakout Session 6A: COVID-19, Mental Health and Substance Use: Rapid Research Review and Implications for Prevention – Deirdre Flynn, Manager of Field Operations, FCD Prevention Works, A Division of the Hazelden Betty Ford Foundation (Credit: CME, CNE, RS, CCHW, ASWB, CHES, EMS, CPE, CADC, Participation) Objectives: Clearly articulate a summary of emerging research about the effects the COVID-19 pandemic has had on mental health and substance use behaviors since March 2020; Understand appropriate tertiary, secondary and primary prevention measures as a result of the data; Identify concrete action steps for their prevention plan based on the relevant data and their professional role within their community. 	Tiffany Howard, MPH, KY Al Training Coordinator, Kentucky AIDS Education & Training Center/University c Kentucky
	 Breakout Session 6B: Strategies to Identify HIV/HCV Cases during the COVID-19 Pandemic – Charlie Pack (Region A), Shanee Whitlock (Region B), Venishia McGregor (Region D), Health Education Coordinators, Senior (Credit: CNE, CCHW, ASWB, CHES, EMS, RS, CADC, Participation) Objectives: Learn the importance of using proper PPE during COVID-19 Understand techniques used to have a HIV and HCV testing event during COVID-19 Review strengths and barriers in completing testing during COVID-19 	Dana Quesinberry, JD DrPH, Assistant Professor, Kentuck Injury Prevention and Resea Center
	 Breakout Session 6C (Panel Discussion): Providing Syringe Service Programs (SSP) through Mobile Harm Reduction Units Facilitated by Aaron Ashby-Boyd, Harm Reduction Program Coordinator, Kentucky Department for Public Health with panelists: Tyra Barrett, Harm Reduction Coordinator, Cumberland Valley District Health Department; John Moses, Team Leader Harm Reduction Services, Lexington-Fayette County Health Department; Juanih Campbell, Sr. Community Outreach Worker, Madison County Health Department; Lauren Kathman, Programs Manager, Northern Kentucky Health Department (Credit: CCHW, CNE, RS, ASWB, CHES, CPE, CADC, Participation) Objectives: 	Aaron Ashby-Boyd, Harm Reduction Program Coordinator, Department fo Public Health
	 Identify barriers and opportunities for implementing a mobile unit in their community Translate best practices for Mobile SSP in their community 	
3:30 P.M.– 3:45 P.M.	• Lessons Learned, Next Steps, and Closing Remarks for the 2021 KY Harm Reduction Summit – Ardis Hoven, MD, Harm Reduction Initiative Medical Director, Kentucky Income Reinvestment Program (no ce credit)	CECentral Command Center
3:45 P.M.	End Summit – Day 2	CECentral Command Center

Disclosure of Relevant Financial Relationships

All planners, faculty, and others in control of educational content are required to disclose all their financial relationships with ineligible companies within the prior 24 months. An ineligible company is defined as one whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. Financial relationships are relevant if the educational content an individual can control is related to the business lines or products of the ineligible company.

None of the planners, faculty, and others in control of educational content for this educational activity have relevant financial relationship(s) to disclose with ineligible companies.

The material presented in this course represents information obtained from the scientific literature as well as the clinical experiences of the speakers. In some cases, the presentations might include discussion of investigational agents and/or off-label indications for various agents used in clinical practice. Speakers will inform the audience when they are discussing investigational and/or off-label uses.

Content review confirmed that the content was developed in a fair, balanced manner free from commercial bias. Disclosure of a relationship is not intended to suggest or condone commercial bias in any presentation, but it is made to provide participants with information that might be of potential importance to their evaluation of a presentation.

Accreditation

In support of improving patient care, University of Kentucky HealthCare CECentral is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

AMA credit: This live is designated for a maximum of 8 *AMA PRA Category 1 Credit(s)*^M. Physicians should claim only credit commensurate with the extent of their participation in the activity.

ACPE credit: This knowledge-based activity will award 8 contact hour (0.8 CEUs) of continuing pharmacy education credit in states that recognize ACPE providers.

ANCC credit: The maximum number of hours awarded for this Continuing Nursing Education activity is 8 nursing contact hour(s).

ASWB ACE credit: As a Jointly Accredited Organization, UK HealthCare CECentral is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. UK HealthCare CECentral maintains responsibility for this course. Social workers completing this course receive 2 clinical, 1 cultural competency and 16 general continuing education credits.

CCHW credit: This training is approved by the Kentucky Department for Public Health Community Health Worker Program to provide 16 continuing education units for Certified Community Health Workers.

CHES credit: Sponsored by Western Kentucky University Department of Public Health, a designated provider of continuing education contact hours (CECH) in health education by the National Commission for Health Education Credentialing, Inc. This program is designated for Certified Health Education Specialists (CHES) and/or Master Certified Health Education Specialists (MCHES) to receive up to <u>8.0</u> total Category I continuing education contact hours. Maximum advanced-level CECH available are <u>0</u>. Continuing Competency credits available are <u>0</u>. Provider ID# 105862 Event ID# 64013.

EMS credit: The Kentucky Board of Emergency Medical Services (KBEMS) certifies that this educational activity is designated for 8 KBEMS contact hours. KBEMS-2021-UKHC-0007

CLE credit: The KBA CLE Commission designates 4 hours of credit. Ethics credits are included in the total number of credits. **RS/REHS credit:** This activity has been approved for a total of 8 CEU Hours.

CADC credit: This activity has been approved for a total of 8 hours to meet the continuing education requirements for credential renewal.

Other/Participation: UK Healthcare CECentral certifies this activity for 8 hours of participation.

How to Claim Credit

AMA, ACPE, ANCC, ASWB ACE, CHES, CCHW, EMS, RS/REHS* CADC**and Other (Participation)

CLE: If you are seeking CLE credit, please report your attendance either through the Member CLE Portal at www.kybar.org or by submitting a completed form #3. If you need reporting instructions for the website or to obtain a KBS Form 3 certificate of attendance, please contact Chris Dennison at <u>Christopher.dennison@uky.edu</u>.

***RS/REHS:** If you are seeking RS/REHS credit, please choose 'Other' credit type to receive a certificate of participation/attendance.

**CADC: If you are seeking CADC credit, please choose 'Other' credit type to receive a certificate of participation/attendance.

Online

At the conclusion of the activity:

- 1. Go to www.CECentral.com/getcredit
- 2. In the box marked 'Activity Code', enter **XLS22004** and click 'Search'
- 3. The appropriate activity details will display; click 'Proceed to Credit"
- 4. If you are not signed into CECentral.com, you will either need to login or create an account (free of charge)
- 5. Click on the type of credit you wish to claim
- 6. Check all of the sessions for which you are requesting credit, check the certification statement, and click 'Submit'
- 7. Complete the Evaluation and click 'Submit'
- 8. Your certificate will display; you can print it or view it later by clicking 'Transcript' in the blue bar at the top of the page

Mobile App

At the conclusion of the activity:

Enter m.cecentral.com in your browser. To install this app:

- 1. Tap dropdown menu on the right (3 dots)
- 2. Select save to bookmarks
- 3. Select "add to" and then "home"
- 4. Select the Get Credit tab
- 5. Enter the activity code
- 6. Search and claim your credit

IMPORTANT! The deadline to claim credit online is October 12, 2021

If you need assistance obtaining your credit, please call (859) 257-5320, Monday-Friday, from 8:30 AM-4:30 PM ET.
