# Disclosure Statement

All planners, faculty, and others in control of educational content are required to disclose all their financial relationships with ineligible companies within the prior 24 months. An ineligible company is defined as one whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. Financial relationships are relevant if the educational content an individual can control is related to the business lines or products of the ineligible company.

None of the planners, faculty, and others in control of educational content for this educational activity have relevant financial relationship(s) to disclose with ineligible companies.

The material presented in this course represents information obtained from the scientific literature as well as the clinical experiences of the speakers. In some cases, the presentations might include discussion of investigational agents and/or off-label indications for various agents used in clinical practice. Speakers will inform the audience when they are discussing investigational and/or off-label uses.

Content review confirmed that the content was developed in a fair, balanced manner free from commercial bias. Disclosure of a relationship is not intended to suggest or condone commercial bias in any presentation, but it is made to provide participants with information that might be of potential importance to their evaluation of a presentation.

# Evaluation

Thank you for attending this educational activity. No meeting is truly successful if it simply serves the purpose of transferring information. You are encouraged to pose questions to the speakers and take advantage of the time allocated for informal exchanges and networking.

- Please use the **Evaluation Link** below to access the evaluation. These were also sent to the email used to register for this Conference. It can be completed at the end of each presentation or at the end of Conference.
- Feedback from evaluations are essential to identifying educational needs and planning future continuing education activities.

# Objectives

Upon completion of this activity, participants will be able to:

1. Identify patterns of pediatric sexual abuse and determine best strategies for reporting and management.
2. Explain recent changes to pediatric sexually transmitted infection diagnosis and management.
3. Review pediatric shock and early resuscitation strategies.
4. Describe the presentation, diagnostic approach, and management of children presenting with abdominal pain.
5. Discuss complications of pediatric COVID infection, including Multisystem Inflammatory Syndrome and post-vaccine myocarditis
6. Review the approach to management of pediatric foreign bodies.
7. Outline the differential diagnosis and management strategies for pediatric altered mental status.
8. Discuss how to implement pediatric simulation opportunities in your care setting.

# Accreditation

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, University of Kentucky HealthCare CECentral is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

## **CME**

This live activity is designated for a maximum of 8 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

## **IPE Competencies**

- Roles/ Responsibilities
- Interprofessional Communication

## **CNE**

The maximum number of hours awarded for this Continuing Nursing Education activity is 8 nursing contact hours.

## Get Credit & Thank You

You will receive an email following the conference that will contain the credit instructions.

Note this will be sent to the email that you registered for the conference with.

**THANK YOU FOR ATTENDING OUR  
3rd Annual Pediatric Emergencies  
Conference. Hope to see you again
