Students are free to purchase these items anywhere (including *Amazon*), but they will need one of each item listed. **If you already own or can borrow these items (or comparable items), this is acceptable.**

3. **TEXTBOOK, WORKBOOK AND ACCESS CODE BUNDLE:**

**Textbook:** Mosby's Textbook Long-Term Care Nursing Assistants 8<sup>th</sup> edition.  
**Workbook:** Workbook & Competency Evaluation Review Mosby's LTC 8<sup>th</sup> edition.  
**Evolve Access Code**

\*\* Bundle can only be purchased from UK Bookstore. Access codes included in books purchased from other sources will not work on the Evolve website.

---

**Uniform:**

A uniform is required to be worn during **clinicals only**. Royal blue scrub pants with royal blue top or a plain white polo shirt is preferred. If student is presently employed in a health care facility, s/he may wear the uniform consistent with the employer's policy. Uniforms can be purchased at any uniform shop.

---

**State Test for Certification:**

Upon successful completion of the class, students who wish to become state certified must schedule their own state exam. A student testing fee of \$115 will be required by the state test site. Test site information will be distributed during class.
