Join Us:

3rd Annual
Multiple Sclerosis Symposium

Saturday, May 22, 2010
WT Young Library Auditorium

UKHealthCare
Kentucky Neuroscience Institute™
Objectives

• To identify MS at an earlier stage of the disease when it is most responsive to therapeutic intervention
• To distinguish MS from any of a number of other disorders that masquerade as MS
• To synthesize therapeutic regimens tailored to individual patient needs
• To identify the risks associated with newer therapies and develop risk management strategies that will decrease these risks for any given patient

Target Audience:
Internal Medicine Physicians, Family Practice Physicians, Neurologists, Ophthalmologists, Obstetricians, Gynecologists, Nurse Practitioners and Physician Assistants

Registration & Fees

Conference Location:
WT Young Library, 401 Hilltop Avenue, Lexington, Kentucky 40536
Detailed directions to the WT Young Library can be found at www.uky.edu/libraries. Free parking is available in the parking structure located on the corner of Rose Street and Hilltop Avenue (please note garage entry is located along Hilltop Avenue).
